

Mainstay Communications is proud to be part of a great community and very grateful that we can sponsor Henderson Community Days. For a small town Henderson has so many thriving business and core facilities that one cannot list them all. We have the most progressive hospital, school and businesses in the area. Our hospital and care facility are building for the future offering services comparable to facilities twice their size. Our school is instructing our students for future success with the most up-to-date technologies and our businesses both in town and rural are thriving. Mainstay Communications is proud to be part of this successful Community by providing the entire Henderson exchange with fiber to each home and business. Mainstay Communications offers a total Fiber to the

Less than 1/4 of the United States has Fiber to the Home. Home exchange that less than a quarter of the United States is able to enjoy. Yes, Mainstay Communications offers an internet connection on High

Speed Fiber that exceeds most communities in the Midwest. Mainstay Communications is able to provide a 1 Gig a Bit Broadband connection to the internet backbone going out to the world. Mainstay Communications believes in the future of Henderson and with their investment in Fiber to the Home Henderson is not only the best place to live, it is the best place to have a business. As the sponsor, we wish each one a great time at Henderson Community Days.
